Dear Lincoln:

Thank you for the exceptionally qualified people that you have referred to The Five Star Group. Our diverse clientele keeps our office on a very demanding schedule.

In Advertising the need for employees that are professional and know the media, radio, television, print, and outdoor business is essential. All Jobs Employment under your leadership has provided me with such people.

Please keep in touch, and once again thank you for the service you provided to The Five Star Group.

Sincerely,

Emma L. Addis
